The owner, CaP Biotechnology, Inc., of 100 percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173 as presently shortened by any terminal disclaimer of prior Patent No. 6,358,532. This agreement runs with any patent granted on the instant applications and is binding upon the grantee, its successors or assigns.
